GLENVIEW GRAPEVINE
September / October 2020

Aged Care Workers' Appreciation Day was acknowledged at Glenview with a celebratory morning and afternoon tea. A heartfelt thank you to all staff for the care and compassion you offer for residents.

We understand that visiting restrictions are difficult for you and your loved one but please know that the staff is providing the best of care.

Community Connection

Beautiful posies from Thistle & Fern florist, along with personal notes from the children of St Mary's have brightened everyone's days.

Connection with the community has particular significance in these times of COVID 19 and lockdown of the facility,;

Twister With a Twist

The energetic and creative Leisure and Lifestyle team is constantly looking for new activities to keep residents interested and engaged,

The most recent idea is a bean bag toss onto a twister mat. Each coloured circle on the mat has been allocated a score. The atmosphere becomes quite competitive as residents strive for the winning score.

The activity is always accompanied by much frivolity and laughter.

Daily Activities

Meanwhile, the facility's communal area continues to be a hub of activity, with residents encouraged to live with joy and enthusiasm every day.

Cheers till next time—and stay safe in these uncertain times.

We can’t wait to welcome visitors and volunteers back.
