

4 STAR

HOME CARE PACKAGE – MY AGED CARE

- Your Home Care Package services will be delivered by Indigo North Health staff, or another provider if you wish.
- As part of your package you will have a Coordinator who will work with you to develop a plan to enable you to obtain the goals you wish to achieve.
- The Indigo North Health staff providing services to you are **locals**, and have the qualifications and experience to provide you with an excellent service.
- We will always welcome any feedback you have that will help us improve the services we provide.
- If you are a **full pensioner**, the Federal Government will pay your nominated service provider the fortnightly Home Care Package funding amount in full.
- If you are a **part pensioner or fully-self-funded retiree**, an income test may apply. As a result you may receive less funding from the Federal Government, and they will ask you to contribute the difference towards your fortnightly Home Care Package funding amount.
